Vol. 85, No. 42

THURSDAY, OCTOBER 20, 1977

We hear you

Any gripes, kudos, or ideas? Call 378-9136 to sound off.

The post office was locked last weekend so I couldn't get in to get mail from my post office box. Why?

A Reader

Editor's note: Recently the coin changer and copy machine were broken into and cash stolen. According to the Campbell Post Office the new lobby hours are 5 a.m. to 7 p.m. weekdays, Saturdays from 5 a.m. to 5 p.m. They'll be closed Sundays. Those mailing letters can use the collection boxes out front during other hours.

The story of the planning commissioners (not filing their disclosure statements) gives the impression that it's the city's fault they didn't file. I don't agree with that excuse, no matter what they were told. I know when I get a ticket it's no excuse to say I didn't know I was doing something wrong. Seems to me if someone's going to hold a public office they should make it a point to learn the requirements.

One Man's View

Your article about the planning commissioners last week sounded familiar. Wasn't there a similar case involving the City Council? Also, if the forms are "so confusing" how are the other cities getting along under this new law?

Curious

Editor's note: First, there was a similar case with the City Council when they also filed late because of confusion over the requirements. I don't have any information on how the majority of other California cities are faring but a check at the County Clerk's office two weeks ago showed planning commissioners in other cites have filed their statements. Whether they filed late or had problems understanding the forms, I don't know.

I heard a story that Campbell's water is coming from the Delta now and that people on low sodium diets should use bottled water and not water from the Campbell Water Company because the salt content is too high. Is this true?

Wondering

Editor's note: The notice sent out with the latest water bills make reference to a change in water quality. According to Frank Kukuk of the Campbell Water Company, this change in the Delta water has an impact on all West Valley cities using the Rinconada Water Treatment plant. It's not a simple case of saying there's too much sodium in the local water supply, Kukuk says. A little over 30 per cent of the local supply is now coming from the Delta but, because of the distribution system, one neighborhood might be getting 50 per cent of their water from the Delta while another gets none. And that percentage changes, Kukuk explained, from day to day and even from hour to hour. The sodium concentration ranges from

Possible bond election

New fire station plan unveiled

CAMPBELL NEEDS THREE fire stations, Fire Chief Gene Borden said Monday night at a study session held in the Sunnyoaks fire station.

That station would remain, under the Chief's new plan, with single engine satellite stations to be located across from the PruneYard and near Victor and Campbell ave.

After a long discussion the council asked staff to report back in a month on the estimated construction costs for the two new stations and personnel costs of hiring the additional 12 fire fighters to man the third station.

For many years the city has known the Central ave. station would have to be relocated. The discussion, however, has been over where to relocate it.

Most recently Borden suggested use of the Caampbell Park property for the east side station with a small, one engine station to be located on the west side of town sometime in the future.

The 1967 bond election gave Campbell the funds to purchase property on Campbell ave. near Dot to construct a fire station. And Monday night Councilman Ralph Doetsch wanted to know why Borden didn't favor using that land instead of buying land and building a station a half a mile west of that site, as suggested Monday night.

Borden explained the Dot ave. site is over an acre, compared to the .22 acres required for a one engine station.

"Dot avenue is too large a piece of property to put the station on," Borden said.

He also said locating the station on the west side of the San Tomas expressway would cut down on traffic problems, and response time, in serving that part of the city.

How to fund construction of the new fire station (or two) is one of the knotty problems the Council must tackle. And one possible way is through a bond election.

Councilman Rusty Hammer asked staff to come back to them Nov. 14 with deadlines the Council must meet if they plan to place the fire station relocation on the March, 1978 ballot.

Representatives of the Cambrian Area Homeowner's Association attended the session and their questions centered around Campbell's present level of fire service and whether the city would consider using the Cambrian fire station if a change in the sphere of influence, now under study, places the area west of Bascom ave. under Campbell's control.

Those residents are opposed to being annexed to the city of San Jose and to having that fire station closed. Under an agreement between the Central Fire District and the San Jose Fire Department, San Jose has taken over three west side stations and plans to close Cambrian.

"If Campbell would man that station," Kathy Osborne told the Council, "we've been told by (San Jose Fire Chief John) Gerhard that fire commissioners would not accept Campbell's level of service."

This city has three men assigned per engine, while San Jose assigns four.

"San Jose's manning policy is four men on an engine," Chief Borden responded," but I (challenge) you to find four men on a unit."

If the Cambrian station is closed, under a deed restriction set down years ago, that property would revert to the Moreland School District.

Staff was asked to contact that school district to find out the availability of the station to Campbell if present plans to close it go forward.

County plan questioned

Concern for our paramedics

THE COUNTYWIDE paramedic plan in the planning stages would bring reduced service to Campbell residents, city councilmen declared Monday night.

But several local paramedics, attending the meeting, said they don't agree.

Under the county plan Campbell's paramedics would serve Zone 8 which includes the area north to Highway 280 and south to the area above Lexington Dam. Instead of serving 29,500 Campbell residents, paramedics would have about 100,000 people to care for. And fees would be charged to those served to offset costs. (There is no charge for local paramedic service at present. The cost comes out of the city's general fund).

"It's clear that in Campbell we will reduce the level of service," Mayor Bill Podgorsek said.

Rick Kincaid, local paramedic, and president of the state paramedic association, said he doesn't feel the level of service will be a problem.

"We won't be responding to minor calls anymore," Kincaid said, "and we'll have a back-up unit which we don't have now."

AN ESTIMATED 20 to 30 per cent of calls for paramedics do not require the special procedures, such as intravenous treatment or electrocardiograph readings, which paramedics can perform. These minor calls, Kincaid said, could and would be handled by fire fighters with advanced first aid training (Emergency Medical Technician I).

The county plan calls for 10 paramedic units to serve the entire county and, when one is out on a call, another team can be called from another area to handle a second emergency.

Cost for the first year of operation (projected for 1980) would be $200,000 per zone with the cost borne by the county. Fees, charged mainly to "third parties" (insurance companies) would help defray costs of the service, county officials say.

While the county study gives fire departments the prime responsibility in providing emergency care, the plan would incorporate either fire department-sponsored paramedics or private (ambulance company) teams. At present part of San Jose and Milpitas is served by ambulance paramedics.

ANOTHER POSSIBLE problem for Campbell with the new county plan is in dispatching. Under present guidelines, county communications would handle all dispatching of paramedic units.

"Does this mean we cannot dispatch paramedics from our communication center?" Police Chief Don Burr asked. "I do not believe that dispatching from one center is necessary but would agree to the coordination," he added.

At present Campbell paramedics respond to all medical and rescue calls, including the "bandaid" type problems of cut fingers and other minor injuries. They are also part of the fire fighting team.

UNDER THE countywide plan paramedics would have all calls screened by dispatchers so they handle only the serious cases. In addition, fire engine crews would respond to the scene first to give life support treatment until paramedics arrive.

When the paramedic program first started the major criticism by county health officials was that Campbell's Rescue 25 unit does not serve enough people. Optimum level of service, according to statewide studies, is one paramedic unit for each 125,000 in population.

The county paramedic plan would come close to that level.

But what local officials want to know now is will that be an improvement, or a lessening of service, for city residents?

City integrity cited

Probe gets support

THERE IS NO citizen, public or private, beyond investigation when it is warranted, the Campbell City Council declared Monday night. And the City Manager, Chief of Police or the City Attorney can institute an investigation of an appointed or elected city official.

That statement came in reply to questions posed by city planning commissioners on a 5-1 vote after they learned fellow commissioner Peggy Pack was being investigated by the Campbell Police Department and the District Attorney's office.

"The integrity of the city demands a thorough and impartial investigation," councilmen declared.

The Campbell PRESS ran an article three weeks ago which reported Commissioner Pack's acoustical engineering firm has been doing many of the noise studies required by local developers. An accompanying editorial questioned the propriety of Commissioner Pack's firm accepting jobs she had voted on.)

Planning Commissioner George Vierhus drafted the three questions to the Council asking if city staff can institute such investigations without City Council sanction, the basis of the investigation and the responsibility of the City Attorney in such matters. As part of the three main questions, the Planning Commission also asked why it

Every body... needs to read

Thousands of books, magazines and records go on sale this Saturday, Oct. 22, at the Friends of the Campbell Library book sale. Hours are 9 a.m. to 3 p.m. in the lower level of the 70 N. Central ave. library. Happy, above, pursued some of the offerings and declares they are "doggone good" (except for that book on cats on the right). Prices are 25 cents for hardbound books and 10 cents for paperbacks with special treasure books priced as marked. Proceeds of the sale go to purchase equipment and help support library programs such as the Scarecrow Contest last weekend.

Boon in family housing

Single family home construction was again the big ticket item on the Campbell Building Department monthly report.

Of the $1.6 million in valuation recorded for September, $1.2 million was for permits to construct 24 single family homes. That brings the yearly to date total to $7.1 million and 158 homes.

Second in line, valuewise was the $267,000 for two commercial developments. One, by Golden West Pancakes for a restaurant at 200 E. Hamilton ave. and a new building at 750 Camden ave. for A and R Leasing.

Total building value for the first nine months of this year is $13.7 million, compared to $5.9 million last year at this time.

While permits are up in most areas over last year the big jump is in single family homes. Last September a total of 35 permits had been issued, compared to 158 for 1977.

DENNY THE DINOSAUR arrived in town last week and now has a place of honor in Campbell Park. The $1,448 piece of play equipment was ordered to replace the old jet trainer plane which had to be removed last year because of jagged edges which posed a hazard to young "fliers." The dinosaur, selected by the city Parks and Recreation Commission, was tested last week by David, 5, Linda, 7, and Debbie Manley, 9.

Old grammar school

There may be action soon on school site

THE OLD CAMPBELL grammar school property could be up on the auctioneer block in two or three months, said Jack Salsbury, assistant superintendent-business services for the Campbell elementary school district last week. That is, if everything goes smoothly.

First obstacle to get out of the way is the condemnation suit between the city of Campbell and the district over part of the property taken for the north loop street.

Next order of business is to access just how much of the balance is to be put up for sale, excluding the district offices.

And one agency expected to take a close look at that site is the County Housing Authority, busy looking for possible sites for a $10.3 million, 200 unit senior citizen housing complex.

ACCORDING TO John Burns, director of the county agency, both the grammar school and the now vacant Hamilton School property are possibilities.

If and when the school district put's that approximately 7.8 acres up for sale, bidding is expected to be brisk. Several developers have already expressed interest in the site.

Complicating that sale could be the drive by local citizens to save that school for a community center. But the leaders of that Save Our Schools group plan to move from the area and no one is on the horizon to take their place. Local seniors earlier collected hundreds of signatures on petitions asking that the school site be preserved.

Any possible sale of that prime piece of downtown property would still be months in the future.

Salsbury says he would recommend that at least 60 to 90 days be allowed for bidders to come up with proposals. That would put actual sale date at least five months in the future.

AND THE HOUSING Authority (or their agents) would be bidding against commercial developers for the site.

When originally declared surplus by the district last year, local agencies had the first crack at acquiring that land and buildings. Now, with that 60 day period past, any sale will have to be to the highest bidder.

The $10.3 million federal Housing and Urban Development grant carries with it a deadline of September, 1978 for the Authority to come up with specific plans. So, any long delays in getting the grammar school property on the market, could squeeze that agency out of the bidding.

Monday Burns said his agency is looking at three possible methods of drafting that HUD proposal.

- Call for a proposals from developers in which they would come up with the land, the building design, etc.
- Find a building site and then request a proposal.
- A new possibility; acquire a site, hire architects to design the building and then put out a call for bids.

THAT THIRD possibility has been suggested by HUD officials, Burns explained.

The recently approved housing proposal is the second go-round the local agency has had with HUD over the Campbell project.

The first proposal earlier this year was turned down because HUD officials felt it wasn't economically feasible.

"Our anticipated income was less than our anticipated outgo," Burns explained.

If Burns should find a suitable piece of real estate he won't have to go through a long waiting period to get it approved by his Board of Directors.

The Board passed a resolution authorizing Burns to act immediately to make an offer on property with the understanding they'll have to ratify the agreement later.

PLAYING major roles in the upcoming production of "A Little Night Music," are Campbell residents JoAnn Vine and Marvin Smith. The Saratoga Drama Group's production opens Friday, Oct. 28, for a 14-performance run at the Saratoga Civic Theatre, 13777 Fruitvale. For ticket information call 264-3110.

Drifts of spider webs, some 20 feet long, were seen floating throughout Campbell last Tuesday and draped on telephone lines, trees and even City Hall. Above, from left, John Hengel and John Schwartz of Rosemary School show off some of the sticky stuff that came down on their school grounds. Don't try to find the spider(s) that created that web though, they're tiny, baby spiders who use webs as balloons or parachutes to travel on the winds to a better climate. Why the linythide species picked the Bay Area in general last week, including Santa Clara County, is still a mystery to some. The smog level was high that day. Usually the yearly migration of the spider babies are into the interior valley regions but Oct. 11, 1977 will go down in local history books as the day spiders invaded Campbell.
(Photography by Amy Huntoon)

Bingo-parking on agenda

Discussion of the new downtown off-street parking district and a preview of a new city ordinance regulating bingo games highlights the Monday, Oct. 24 City Council session.

Meetings start at 8 p.m. in the Council Chamber, 75 N. Central ave.

According to reports, both The Factory and Bodega owners have now signed the agreement to form a $1 million plus parking district. The plan includes a two-decker parking garage south of the large shopping complex.

Co-owner Bill McLaughlin is also petitioning the Council that night to permit a pizza restaurant in the building across from the main center which used to house a wine store. The owner cites the fact that the parking district is going forward, and that 13 of the 16 stores in the Hyde Building are now vacant, in his argument that another restaurant would not create a parking problem.

Police Chief Don Burr will present a draft of his proposed bingo ordinance that spells out where and when games (for money or prizes) are to be played within the city limits.

Senior groups have already expressed concern over one part of that ordinance banning bingo games (for prizes) in city-owned or controlled facilities. At present the Senior Nutrition Site and city-sponsored Senior Social Club hold games that would be in apparant violation of that provision.

Also up for discussion Monday is:

- A letter from the Hamilton Downs Homeowner's Association expressing concern over the increased traffic on N. Third st.
- A letter from Bigley Ambulance Company requesting an increase in their base rate from $60 to $64.
- Final reading and adoption of a new ordinance setting a limit of two per 50,000 population on estate and antique auction houses in the city. A second part of the ordinance sets a business license fee of $100 per year on auction houses.
- A recommendation from the Civic Improvement Commission that the area between City Hall and the Campbell library (now unused roadway) be developed into rolling turf, with benches and a large evergreen tree.

News briefs

INVESTING MINI-COURSE

Financial Planning and Investing, a mini-course, begins next Thursday, Oct. 27 at the Campbell public library.

How to determine your financial needs and meet them will be the first topic under discussion by Arthur Beddeson and Paul Osborne.

Future classes, on Nov. 3 and Nov. 10, will deal with estate and tax planning and investment methods.

All of these free sessions start at 7:30 p.m. in the downstairs Community Room.

Call the library at 378-8122 for more information or advance registration.

COSTUME CONTEST

Funniest, scariest, ugliest and most original are a few of the contest categories in the upcoming Halloween Costume Contest sponsored by Campbell Community Services.

The second annual event will be held on Saturday, Oct. 29 at 10 a.m. at John D. Morgan Park.

Three age groups will be judged for prizes that day; 2 through 5, 6 through 9 and 10 and up.

Registration forms are available at City Hall, 75 N. Central ave. or you can register that day.

Call 378-8141 for more information.

TAKING THE SCHOOL BOARD TO THE SCHOOLS

Moreland School District trustees don't think enough people are attending school board meetings so they're moving them out of the district office and into the schools.

The Tuesday, Oct. 25 evening board session will be held at Country Lane School, 5140 Country Lane.

The routine business agenda will be as brief as possible that night, President John Anderson says, so the Board will have time to hear from citizens.

Also planned that night is a tour of the school's new learning resource center and the facilities leased to CASOLS, a private school.

FLU SHOTS AVAILABLE

The Santa Clara County Health Department is offering flu vaccines for Victoria and Hong Kong viruses at two local locations.

Designed for those age 55 and over and for adults and children with chronic medical problems, the vaccines are offered every Thursday, from 1:30 to 3 p.m. at the Central Health Department, 2220 Moorpark ave., San Jose and on the first the third Monday of each month, from 1:30 to 3 p.m. at the Los Gatos Health Office, 641 University ave., Los Gatos.

An Affair to Remember with BEA RENÉ

© Bea Rene 1976

Sun. Buffet luncheon at the **DRYING SHED** from 11 a.m.-3 p.m. is a relaxed occasion & the food is simply delicious. It's also very popular because of the cost — only $4.95 for adults & $2.95 for children. Select BBQ Spareribs, Baked Chicken, Petrale of Sole, etc., w/a choice of veg. & over 15 salads. Top this all off w/some good homemade soup & hot bread. Here's food just like Mom used to make, & it even has some of Mom's egg beaters, washboards & frying pans adorning the walls.

You don't have to wait for New Year's Eve to enjoy champagne dinner. Not when you have a **SIRLOIN & BREW UNLIMITED** restaurant near you. Every Mon., Tues. & Wed. nite, glasses of champagne are incl. w/your dinner. Then you are served the usual unlimited bottles of burgundy, chablis or pitchers of beer or sangria, all as part of your meal. Re-order if you want. Steak dinners incl. all the salad you want. Perfect places to toast birthday or anniversary parties.

Last week I wrote about the delicious Escargot served at **CLEMENTINES**, — do you know, I received two or three calls from readers who did take my suggestion & tried an otherwise unappealing dish. They loved it, & they thought the new Continental menu at **CLEMENTINES** was simply superb — which it is! For a memorable dining affair call **CLEMENTINES** this evening — plenty of parking — a charming restaurant w/a new personality.

A reader called to thank me for the great Sat. lunch spot at the **SECOND FLOOR** restaurant in Los Gatos — however, she wished I had given directions, so let me tell you now. It's just off Hwy. 17 on Winchester located in the new COURTSIDE TENNIS CLUB. Tho' a private club, the restaurant is "open to the public" & is beautiful. It's especially great if you're a tennis buff since the **SECOND FLOOR** dining room & lounge overlook the many tennis courts below. Dancing every nite to PZAZZ — this is truly an "affair to remember!"

At **CHEF CHU'S** Mandarin Kitchen Restaurant you are treated as an honored guest in the finest tradition of the Orient. He combines the charm & mystique of the Far East w/his own personalized service & modern yet authentic cuisine. His Szechten style cooking will indeed excite your taste buds — all at reasonable prices. I suggest you ask the Chef for suggestions when ordering to augment a hot spicy dish w/a more bland one. Cocktails available & holiday parties are now being booked.

"The kettle is on" at the **BLACK KETTLE** restaurant where you'll always find excellent fare . . . this hospitable group greets & serves you w/sincerity & efficiency. You serve yourself from the salad bar, & your waiter will bring your choice of entree to your table. You may also order wine or a drink of your choice. I think this is one of the finest restaurants in the Campbell area, located in The Factory. I highly recommend it & suggest you try it soon.

Sun. brunch at the **94TH AERO SQUADRON** is like sitting at the airfield in Toul, France . . . a page right out of a 1917 movie. My favorite brunch is the Poached Salmon Hollandaise or the Steak & Eggs 94th. The **94TH** is also featuring Mon. nite football in the Bunker Lounge on their 6 ft. screen w/delicious hors d'oeuvres available. There's dancing to a great discotheque, too.

PRESS arena

our readers write

A woman of integrity

EDITOR:

The local press has seen fit to attack Planning Commissioner Peggy Pack and has suggested, if not demanded, that she resign. Yet, nowhere in this attack have I seen anything that might suggest — even remotely — that in serving as a planning commissioner Mrs. Pack violated any law — civil or criminal.

It is not my purpose to defend Mrs. Pack. Nor am I suggesting I favor those matters of judgment the press found objectionable.

I am compelled to publicly state, however, my confidence in the integrity of Mrs. Pack. It has been my experience over the years to find her a person dedicated to the service of her community and her fellow citizens. She has always been faithful and open in her relations with people and with government. Her volunteer efforts in many facets of community life have on more than one occasion given equally responsible individuals and organizations cause to place her name in nomination as the community's Citizen of the Year.

In view of her long and varied record of community service it is inconceivable to me that Mrs. Pack would do anything to denigrate her position of earned community trust for personal benefit.

The wounds resulting from the publicity for the past few weeks and the investigation of those nebulous charges — even when found to be totally unfounded — cannot but leave permanent scars.

This is a tragedy which I can do little to alleviate. Nevertheless, I cannot allow another day to pass without expressing my compassion for another public servant who has consistently shown a deep devotion for community service.

Norman Paul
Campbell City Councilman

Editorial

A clouded issue

We concur with Councilman Norm Paul's assessment of Planning Commissioner Peggy Pack, her devotion to public service and her integrity.

And we do not believe she would have, or did, make decisions as a commissioner for personal, financial benefit.

The issue we raised was over the fact that the acoustical engineering firm, owned jointly by she and her husband, had been doing the bulk of the noise studies required by the City, the Planning Commission and the City Council.

We question Commissioner Pack's judgement in accepting those consulting jobs on developments she had voted on in her official capacity.

The current investigation by Campbell's Chief of Police and the District Attorney, we feel, has clouded the real issue by raising the spectre of "police probe" in what is essentially a question of judgment.

The probe has, we believe been conducted in an overzealous manner, raising suspicions and blowing the issue out of proportion.

We feel confident the results of that probe will dispell those clouds of suspicion.

We hear you

(Cont. from pg. 1)

about 26 parts per million gallons to 230 parts per mission (250 is enough to be noticeable). So the company suggests that people on low sodium diets let their physicians decide whether or not they should use bottled water. The drought caused salt water to infiltrate the Delta regions farther up than usual and mix with the fresh mountain water supply. That's the reason for the jump in sodium levels.

There was an accident on Bucknall road recently in which a young man was burned when his truck caught fire. I was told it took the San Jose Fire Department 9 minutes to reach the scene. Is this true?

Upset

Editor's note: According to the computer tape records of the San Jose Fire Department, 6 minutes elapsed between the time the call was received at Station 14 and the engine arrived on the scene (5:25 p.m. to 5:31 p.m. on Oct. 6). The accident occured at the corner of Bucknall and Abbey lane, one of the recent boundary changes under the auto aid agreement between Campbell and San Jose. The call to the Campbell station came in at 5:30 and paramedics arrived at 5:31 with the engine company there at 5:32. The victim, Tyler Boswell, 21, of Los Gatos suffered second and third degree burns over 30 to 40 per cent of his body in that fire. Monday afternoon he was still being treated in the burn unit at Valley Medical Center. None of the fire fighters who were on duty that day were available for comment Monday. They were scheduled to be back at the station on Oct. 19.

Refreshing as rain

EDITOR:

Norman Paul's statement Monday night reaffirming his confidence in Peggy Pack is as refreshing as a spring rain!

He could have taken the easy, safe position of waiting to join the chorus of support for her after the so-called investigation has cleared her.

Mrs. Pack has been under attack for four weeks with not one public word from the Council she has served so well.

Councilman Paul alone has broken their silence because he is a man of courage and compassion.

Don Hebard,
Campbell Planning
Commissioner

Open letter to school and city officials

A year ago we, the citizens of Campbell, were approached by representatives of the Campbell Union School District, Campbell Union High School District, West Valley Joint Community College District, Campbell City Council and Mr. Dave Aikman about the community schools program.

A committee of Campbell citizens was formed.

The committee was charged with the responsibility of presenting the community with the concept of the community schools program. The committee took a survey regarding the endorsement of the "concept" of community schools.

The study and suggested proposal on the feasibility-advisability to implementing a community schools program in the Campbell area was presented to each of the governing bodies that charged the community members with the task.

Our commitment has been fulfilled. We have completed the job that we were charged to do.

The Campbell citizens are awaiting your commitment as to what action is going to be taken regarding the establishment of a community school in the Campbell area.

We trust you will communicate with the community school study committee and the Campbell citizens in the same manner that Dave Aikman's office provided communications during the study sessions.

The future of this project is in your hands.

The Campbell Citizens Study
Committee on Community Schools

Won't be complaining

EDITOR:

I would like to express a gigantic "THANKS" to the park security at John D. Morgan Park who assisted my daughter, Debbie, recently when she hurt her ankle. Also to the paramedics (Platoon B) who responded to their call and stayed with Debbie until we got there.

I may complain about high taxes but never again about the part that goes to pay our great paramedics.

Thanks.

B. Steinblom

impressions

A SLOW AFTERNOON

There have been plenty of funny stories connected with the street work going on in downtown Campbell. But few could top that told by Manager Pete Edwards of the Bank of America.

One recent afternoon shortly after regular banking hours were over, Pete noticed there wasn't much business at the walk-up window. In fact, there was no business.

A short time later he checked again and still no customers at that usually busy window.

A look outside cleared up the mystery.

Third street had been blocked off on BOTH ends by the city Public Works Department.

"No wonder we had no customers," Pete says, "they couldn't get in."

A frantic call to City Hall brought several officials on the run to take care of the problem and to explain, crews had closed the street because they were moving some heavy equipment.

Sorry.

Check out a poster

ROCKY
His whole life was a million-to-one shot.
United Artists

Dozens of posters are available at the Campbell library now to be checked out just like books. The new Poster Collection features a wide range of subjects, from rock groups and movie posters to mood pictures. Funded by the Friends of the Campbell Library, the collection has been prepared by library staff with special reinforced edges so posters can be either taped or tacked up on the walls of local teens. While geared for high school age youngsters, the collection is also suitable for those of junior high school age, according to Librarian Janet Kammermeyer.

Probe to put to rest any false innuendos

(Cont. from pg. 1)

was necessary to call for outside assistance in that probe (the DA's office).

"THE DISTRICT Attorney's office was requested to assist in the investigation so our police department and our city could not be accused of a biased or prejudicial investigation," the Council replied.

The answer to the specifics of the query will be forthcoming after the District Attorney's office completes its review of this investigation, the Council said.

The City Attorney's role, as it relates to elected and appointed officials is to rule on conflicts of interest and potential conflicts of interest when asked to rule, the Council said. In addition, when the City Attorney is apprised of information, either by his own resources or by others, he shall inform the individual of potential conflicts of interest. (Campbell's City Attorney Bob Dempster said last week he doesn't feel there's a legal conflict of interest in the Pack case).

CAMPBELL POLICE Chief Don Burr instituted the investigation and Monday night the Council reaffirmed his authority to do so under the California Penal Code, the Government Code and the City Ordinance.

"It is not only the obligation of the Police Chief, but his duty to conduct a thorough search for the truth. A thorough investigation and search for the truth should put to rest false innuendos and allegations about the City employees whether elected or appointed," the council said. The findings of that investigation are expected to be announced in the next week.

Community meetings set for HCD funds

Three community meetings have been scheduled during the second week in November to find out how residents feel the $400,000 to $500,000 in federal Housing and Community Development funds should be spent by the city next year.

One possible area was suggested by Councilman Rusty Hammer last week who asked for a staff report on the cost of building a senior citizen center.

At the Monday, Oct. 24 City Council session a list of possible HCD projects will be decided on. This list, plus other suggestions from the community, will be the topic of discussion at the Nov. 7, Nov. 8 and Nov. 9 meetings in local schools.

The Monday, Nov. 7 meeting will be held at Dover School with the Tuesday, Nov. 8 session at San Tomas School and the Wednesday, Nov. 9 gathering at Campbell High School. All sessions start at 7:30 p.m.

Campbell has a Nov. 15 deadline for selecting projects for the 1978-79 fiscal year. The completed application must be submitted by December 1.

Over the past three years Campbell has allocated close to $800,000 for the HCD program. And, with Congress recently renewing that program, the city is expected to receive an additional $400,000 to $500,000 for each of the next three years.

Past HCD projects have included: public works improvements in central Campbell ($248,000 for construction of the north loop), housing rehabilitation ($149,500), public works improvements in the San Tomas area ($144,000) and parks, recreation and open space ($120,000).

Smaller projects funded include historic preservation, $1,000; transportation alternatives ($1,000); elimination of architectural barriers for the handicapped ($12,500) and expansion of low income housing ($5,000).

While projects must be submitted before the end of this year, actually funding is expected in July of 1978.

Hyperactive kids topic of meeting

Raising self-esteem for the hyperactive child is the topic under discussion at the Thursday, Oct. 27 meeting of the Feingold Association of San Jose.

This parent group meets at 7:30 p.m. at Bohnett School, 2275 S. Bascom ave.

Dr. Carl Scott, director of the Eshmun Center, is guest speaker.

The association is a new, volunteer, non-profit group made up of parents of hyperactive children who believe that an additive-free diet will aid in the control of hyperactivity.

The group meets monthly, conducts workshops, publishes a newsletter and updates diet lists.

For more information about the group call 264-7002 or attend the Oct. 27 meeting.

How to prevent burglaries is meeting topic

A couple of hours spent at the Castro Community Center next Thursday, Oct. 27 could save you hundreds, or even thousands of dollars.

"Protect Your Home. . . Your Family," is the topic of a lecture/discussion sponsored by West Valley College and featuring members of the San Jose Police Department.

The focus will be on helping homeowners learn preventative measures to help guard against burglaries.

The program gets underway at 7:30 p.m. that night and, while there is no charge, advance tickets are required.

Call 379-9415 weekdays for ticket reservations.

siren sounds

ANOTHER SAVE

An 85-year-old Campbell man was reported in stable condition at Good Samaritan Hospital Monday after a brush with death.

According to reports, J. Hoyt Vernon who resides in the Timber Cove mobile home park suffered a fainting spell during dinner last Friday. Paramedics were called to the scene.

During the physical examination the man reportedly went into a full arrest, with no heartbeat or respiration. Paramedics Garry Salmon and Al Lowder applied electric shock with the defibulator and had the man's heart beating again within a minute.

At last report the man was "alive and talking" from his hospital bed in the coronary care unit at Good Sam.

ARMED ROBBERY

A Union 76 service station on E. Hamilton ave. was reportedly robbed at gunpoint last Saturday by a lone gunman.

The suspect reportedly approached the office as the manager was getting ready to close up and absconded with $200 in cash.

PARKING LOT ARREST

The owner of a beauty salon at the corner of Budd ave. at Winchester reported a group of young people were "hasseling her" last Wednesday evening. And when Campbell police arrived to investigate they ended up arresting one 18-year-old Campbell resident for disturbing the peace and obstructing a police officer.

According to reports, the youth refused to disburse when ordered to by police.

He was booked into the county jail facility.

BOTH CITED

Two motorists were cited last week in an accident which left one in Good Samaritan Hospital with leg injuries.

The accident occurred last Friday afternoon at the intersection of N. Harrison st. at E. Grant.

According to reports, the first driver pulled out of a driveway on E. Grant when he was struck by the second motorist who was traveling at 40 MPH along that stretch of road. The second driver was injured.

Police cited one driver for failure to yield to through traffic and the other for traveling at an unsafe speed.

TENNIS NET INJURY

A 15-year-old San Jose girl was treated by Campbell paramedics for possible back injuries last Wednesday after she reportedly attempted to leap over the net on the tennis courts at Campbell High School and caught her foot in the net.

THREE BURGLARIES

Last Thursday two apartment dwellers on Union ave. reported burglaries while a third reported an attempted burglary.

According to reports one resident suffered a loss of $607 in the theft while the other reported $250 worth of stereo equipment stolen.

In the third incident the suspect entered through an unlocked bedroom window but nothing was found missing.

nutrition notes / How do you know if they're getting a balanced diet?

By DOROTHY TERRILL

EDITOR'S NOTE: Dorothy Terrill, a registered dietitian and instructor at De Anza College, holds an M. S. in nutrition from UC-Berkeley. **Questions about nutrition are invited. Address all questions to: Dorothy Terrill nutrition Notes, Suburban Newspaper Publications Inc., P.O. Box 368, Cupertino, 95014. Mrs. Terrill will answer questions as space allows.**

"Is there any easy method that I can use so I will know that I am serving my family a nutritionally balanced diet?" writes a reader. There are several methods which are designed to aid the consumer in choosing a nutritionally balanced diet without reading volumes about nutrition or spending ones evening calculating nutrients. The most commonly used plan is the Basic Four Food Groups: 1) milk, 2) meat, 3) vegetables and fruits, and 4) breads and cereals.

While this grouping provides a simplified method of choosing a nutritious diet, there are certain things to consider. The minimum number of servings from each group must be provided daily and a variety of foods must be chosen from each group. You may not necessarily be obtaining sufficient quantities of certain vitamins and minerals if knowledgeable choices are not made. Iron, for instance, could be low if no red meats, liver, or eggs were selected unless a super-fortified cereal were eaten. But by choosing a variety of foods, one is more likely to obtain all the needed nutrients.

Here are some general but simple guidelines to use which will provide a variety of nutrients. A yellow, orange or deep green vegetable will provide vitamin A. Citrus fruit contains an ample supply of vitamin C. Red meats mean that you receive protein, iron, zinc, and vitamin B12 in sufficient amounts. Milk and dairy products supply protein, calcium, phosphorus, and riboflavin. Whole grain cereals provide B vitamins and some iron.

Another rule to obtaining good nutrition is to use as many whole grain products as possible. In this way one obtains minerals, vitamins (especially folacin), vitamin E and fiber. The term "natural" has been overdone and construed to mean that anything manufactured provides poor nutrition. While this is not true, brown rice and whole wheat flour which are "natural" do provide nutrients and fiber which are not found in refined foods. When you use these whole grains, fewer chemicals are ingested, too.

Breads may be difficult for many people to bake themselves when they work outside the home. However, you can choose breads which contain a high proportion of whole wheat flour and are dark in color due to the flours and not to the caramel coloring added. Become a label reader and remember that the items listed first, second, and third are those found in the greatest proportion in the product.

One convenience food which should be remembered as a good source of nutrition is frozen orange juice. It is high in vitamin C and less expensive than squeezing your own oranges. On the other hand, one "natural" food which is no better than the refined product is sugar. The very small amounts of minerals found in unrefined sugar are too minute to be considered beneficial when you consider that the calories and cavity contributing qualities all sugars possess are present.

Using some of these general rules you can choose a diet with more assurance that it will provide the necessary nutrients. In addition to a healthier diet, a saving on the pocket book can be realized when fewer convenience foods are selected.

"Pain and Arthritis — A New Approach" is the topic of a free educational program tonight at 7 p.m. in the DePaul Auditorium at O'Connor Hospital, 2105 Forest ave., San Jose.

For more information call 298-3900, ext. 415.

Local residents receiving five and ten year pins at the recent awards reception at Good Smaritan Hospital were, front row from left, Maria Torres, Genie Harnden, Ruzelma Piaskowski, Sandra Otten; back row, Janet Maisen, Betty Ashlock and Edna Barrett.

TWO OF FIVE women honored last night in Campbell by the Business and Professional Women's clubs were Lillian Jones and Gertrude Hartzell. The local BPW clubs named their Women of Achievement during National Business Woman's Week, Oct. 16 through 22.

Awards dinner honors five local women

A bank manager, food store owner and former forelady in an ice cream factory were among those receiving Woman of Achievement awards last night at Sunsweet Hall at The Factory.

Five local Business and Professional Women's clubs combined forces for the banquet festivities featuring guest speaker Gerri Lange of KQED-TV.

Those honored included Lillian Jones, San Jose club; Edna Dixon, Willow Glen club; Evelyn Lasley, Los Gatos club; Mary Hazlerigg, Gilroy club and Gertrude Hartzell, Cabrian Park club.

National Business Women's Week is Oct. 16 through 22 and was initiated by the National Federation in 1928 to honor working women and their place in society.

Women now comprise 42 per cent of the labor market and contribute substantially to the standard of living this country enjoys.

Honorees and their backgrounds include:

LILLIAN JONES, Joined the San Jose BPW in 1948 and has held almost every office and chairmanship since. She served as president in 1954-55 and again in 1962-63, Her professional background includes office positions with the Bank of America, Community Chest and YMCA and in 1973 was named business director of the Santa Clara Valley YMCA. Other community activities include past president of Soroptimist International of San Jose, a board member of Alpha Place, vice president of the Board of Community Volunteer Services to Agnew State Hospital, board of directors of the Coordinating Council of Women's Clubs, public relations committee of United Way of Santa Clara City and a member of the California Pioneers.

EDNA DIXON, president of the Willow Glen BPW, her business background includes several positions with banks in San Jose, San Luis Obispo and Reno. In 1976 she was named Regional Savings Manager for the Peninsula offices of San Francisco Federal Savings and Loan Association.

GERTRUDE HARTZELL, a member of the first class to graduate from San Jose Teacher's College (now San Jose state), she began her teaching career in San Juan Bautista. Later the loss of her voice forced retirement from teaching and she entered the business field. In the Cambrian Park BPW she had held several positions and is currently legislation chairman. Current President of the Sunnyvale-San Jose chapter of the Womens Christian Temperance Union, she has also done volunteer work for the Leukemia Foundation, Heart Association and Mental Health Association.

EVELYN LASLEY, In 1970 she retired from the Meadow Gold Company after 30 years and at her retirement was forelady overseeing a department of 30 in the ice cream factory. With automation, that department is now staffed by 4 workers. A member of the Los Gatos BPW, she served as president in 1963-64 and has served on numerous committees. Community service includes membership chairman and secretary of the United Methodist Women of Los Gatos and other church work, visiting the "housebound" in convalescent and retirement homes. Interests include travel, the local museum and preservation of historic buildings.

MARY HAZLERIGG, the past president and current first vice president of the Gilroy BPW initiated that group's High School Scholarship Award program. She served as director of the Gilroy Chamber of Commerce for two years, is a United Fund volunteer and is active in the local Birthday Club. She was also selected as Woman of the Year by the local chamber and honored by the Gilroy Rotary Club. Prior to starting her own retail food business nine years ago, she was employed by Safeway Stores.

Club Notes

RED CROSS VOLUNTEERS

Volunteers of the American Red Cross will be honored at the annual Recognition Luncheon slated for Wednesday, Oct. 26 at the Los Gatos-Saratoga branch office, 18011 Saratoga-Los Gatos road.

Featured speaker will be Wesly Jones, director of social services for Santa Clara County.

All volunteers are welcome and rides will be provided for those without transportation.

Call 354-6086 for more information.

ACCOUNTANTS ASSOCIATION

"The National Investment Outlook" is the topic of a talk by Robert Harrington at the Thursday, Oct. 20 meeting of the San Jose chapter of the National Association of Accountants.

The group meets at 6:30 p.m. for a dinner meeting at the Villa Felice in Los Gatos.

Harrington, associate vice president of Dean Witter and Co. (San Francisco region) is also business editor of radio station KXRX.

ORCHARD CITY GRANGE

The annual birthday dinner of Orchard City Grange is planned for Tuesday, Oct. 25 at 6:30 p.m. in the Grange Hall, 107 N. First st.

Also scheduled for next week is the monthly Whist Card Party at 8 p.m. in the hall on Thursday, Oct. 17. The public is invited to attend.

At the last Grange meeting new members Mr. and Mrs. Martensen were given the Four Degrees by Past Master Fred Johnson.

LUNG ASSOCIATION

Children's lung disease will be the topic under discussion at the Thursday, Oct. 20 joint meeting of the American Lung Association of Santa Clara and San Benito counties.

The group meets at 7:30 p.m. in the auditorium at Children's Hospital at Stanford.

Dr. Norman Lewiston, director of the allergy, immunology and respiratory departments at Children's Hospital is guest speaker.

The public is invited to attend.

AUXILIARY FASHION SHOW

Travel in Style is the theme of the Friday, Oct. 21 luncheon-fashion show of the volunteers affiliated with Community Hospital and Rehabilitation Center.

The group meets at Villa Felice in Los Gatos.

Program chairman is Mrs. Robert Brown.

Localites taking part that day will be Sharron Cassingham, a junior volunteer who will model and hostesses Mrs. A. L. Romero and Mrs. Daniel Corkery of Campbell.

SAN JOSE BPW

The issue of discrimination against women by the insurance industry is under discussion at the Monday, Oct. 24 meeting of the San Jose Business and Professional Women's Club.

The group meets at 6:30 p.m. in the Pinehurst Inn restaurant in San Jose.

A panel of BPW members will discuss life, health, auto and homeowner's insurance.

Dinner is $6.95 but the public is invited to attend at 8 p.m. to hear the speakers without charge.

WOMEN OF THE MOOSE

Los Gatos chapter 1240 of the Women of the Moose recently received notice they'll receive their Award of Achievement for the 1976-77 year.

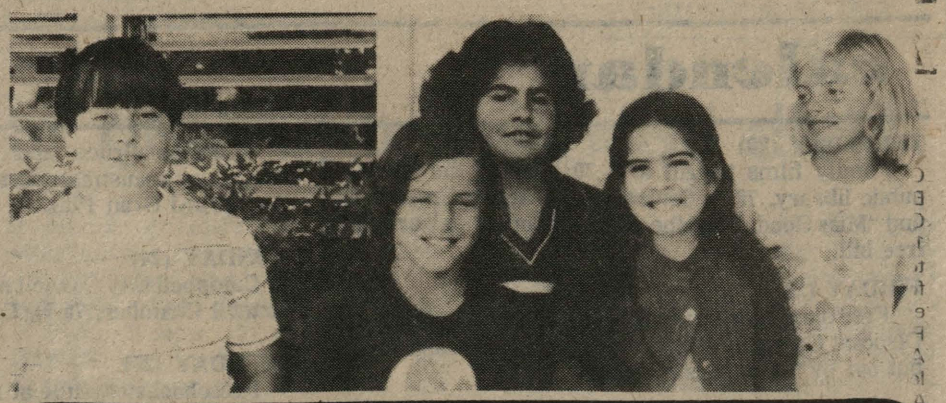
Individual members who have qualified for personal honors include: Lu Campbell, green cap; Dee Espinoza, college regency; Marge Barry, star recorder; Nadine Hernandez, Eva Gutierrez, Wanda Smith and Inez Regan, the friendship degree.

ARC ANGELS BOUTIQUE

Handmade afghans, Xmas decorations and baked goods are a few of the items going on sale on Thursday, Nov. 3 at the annual holiday boutique of The Arc Angels.

The event will be held from 10 a.m. to 3 p.m. at The History Club of Los Gatos.

READY to present the Good Fellowship Heart to the Sunnyvale Rebekah lodge is, third from right, Charlotte Rice, ADA Rebekah lodge 223 Good Fellowship Chairman. The two groups met recently in Sunnyvale. Also pictured, from left, are Carole Willoughby, ADA Noble Grand; Ruth Jameson, Naomi Farley Blanche Gilpatrick, Anna Rhine, Ruth Nelson, Lois Burke and Peggy Goolsby, Sunnyvale's Good Fellowship Chairman.



Capri school's Student of the Month for September are, from left, Stanley Roam, John Altovilla, Toni Toledo, Elizabeth Rodriguez and Shannon Gibbs. Intermediate teachers choose one student each month who has demonstrated helpfulness, good sportsmanship, cooperation, hard work and studiousness.

Hanrahan fete set

A retirement dinner, honoring former Campbell Little League president John Hanrahan, will be held on Thursday, Oct. 27 at Marianni's restaurant in Santa Clara.

The local man stepped down Oct. 1 from the post he's held for the past six years.

Tickets at $6 each, are available at the Little League Clubhouse this Thursday, Oct. 20 at 7:30 p.m. or by calling new league president Rick Schaffer at 379-7653.

REWARD FOR SABRINA

Sabrina, a 5-year-old Silky Terrier, has been missing since Oct. 5 from her Los Gatos home near Lark Ave.

She is light beige, weighs about 5 pounds and has dark pointed ears.

Her family is very anxious to get her back because she is a child's pet. They are offering a reward.

If you have information, call 356-8738.

Join the Pet Patrol, the Campbell PRESS' new community service project, a weekly column on pets in our circulation area. If you have found or lost an animal, or wish to find a good home for your pet, call the Pet Patrol at 378-9136, and alert your neighbors at no cost to you. Deadline for the column is 10 a.m. Monday for that week's issue of the Campbell PRESS.

CAN YOU SPOT THE TURKEY?

Our movie reviewer, Larry Engelmann can. And he does just that for you each week in the movie section of MARQUEE, an exclusive subscriber bonus section for readers of this newspaper. It's just one of dozens of informative features geared to making Santa Clara valley living a lot more enjoyable.

The cost? Only about two cents a day. your $7.50 per year buys a lot of reading pleasure and important information you can get no where else. Call us at 255-7500 to start getting all of the extra sections you're missing as a non-subscriber.

public notices

ADVERTISEMENT FOR BIDS
BID #4-7778

1. NOTICE IS HEREBY GIVEN that the Governing Board of the West Valley Joint Community College District, 14000 Fruitvale Avenue, Saratoga, California, hereby calls for sealed proposals for a General Contract: for Northern Parking Area and Perimeter Access Road at Mission College, Santa Clara, California. All bid items in the Proposal must be submitted.

2. Bids will be opened by the Secretary to the Governing Board in the Board Room of the Administration Building at 14000 Fruitvale Avenue, Saratoga, California 95070 on November 2, 1977 at 2:00 p.m. Proposals received after this time will be rejected and returned unopened.

3. Drawings and Specifications may be examined at the offices of the Architect and the Engineers at: Reid & Tarics Associates, 1019 Market Street, San Francisco, CA 94103; Mark Thomas & Co., Inc. 18 N. San Pedro Street, San Jose, CA 95110.

4. Bona fide bidders may obtain Drawings and Specifications at the office of Reid & Tarics Associates and Mark Thomas and Company, in accord with the Instructions to Bidders.

5. The Contractor and all Subcontractors under him shall pay all laborers, workmen and mechanics on said work, or any part thereof, not less than the general prevailing rate of per diem wages and not less than the general prevailing rate of per diem wages for a legal holiday and overtime work, for work of a similar nature in the locality in which the work is performed, to wit: said school district, which per diem wages shall not be less than the stipulated rates contained in a schedule thereof which has been ascertained and determined by the Office of the Board of Supervisors of the County of Santa Clara and which is now in file in the office of said Board and by reference incorporated and specified herein and made a part hereof, and which said general prevailing rate of per diem wages as hereinabove referred to and adopted by each craft or type or workman or mechanic needed to execute this Contract.

6. By submission of a Proposal, the Bidder agrees that if awarded the Contract the Bidder has read the Affirmative Action Program which is included as part of the Contract Documents and will comply with all requirements stated therein.

7. Each Bid Proposal shall be accompanied by a Bid Bond, duly executed by the Bidder as principal and corporation authorized to do business in the State of California as surety naming the West Valley Joint Community College District as obligee, or by a cashier's check or certified check, certified without qualification, drawn on a solvent bank of the State of California, in the amount of 10% of the total bid submitted, and made payable to the West Valley Joint Community College District. Should the party or parties to whom the Contract should be awarded fail to enter into the Contract after the award and to file the required bonds, the proceeds of said certified or cashier's check or the amount paid by the Bidder or his surety pursuant to the terms of said Bid Bond either voluntarily or pursuant to the judgement rendered by the court in any action brought thereon will be retained by said District as agreed and liquidated damages.

8. Said ten per cent (10%) Bidder's Bond shall be returned to the successful Bidder upon the signing of the letter of intent. Bonds of other Bidders will be returned at the time the letter of intent is awarded to the successful Bidder.

9. The Contractor shall furnish a performance bond in an amount at least equal to 100% of the Contract price as security for the faithful performance of this Contract and also a payment bond in an amount not less than 100% of the Contract price as security for the payment of all persons performing labor on this Contract. The performance bond and the payment bond may be in one or in separate instruments.

10. The Board reserves the right to reject any or all bids, or any or all items, or alternate, or propositions of such bids, or to waive any and all irregularities in such bids.

Each bid shall include a commitment to use at least 10 percent of the contract funds for minority business enterprises.

By Order of said Board this date

James P. Hardy
Secretary of the
Governing Board of
West Valley Joint
Community College District

Pub.:10-13,20-77 419CP

BID REQUEST
NOTICE TO CONTRACTORS

Sealed written proposals are invited by the CITY OF CAMPBELL for the construction of the project entitled "FINANCE DEPARTMENT RELOCATION", completion of first floor offices in City Hall, $175,000.

In accordance with and as described and provided in the Plans and Specifications therefor and the proposed form of contract therefor, all of which are on file in the office of the Building Department of the City of Campbell, and to which special reference is hereby made and which are made a part hereof.

Plans and Specifications may be obtained at the office of the Building Department October 19, 1977, at a charge of Fifty and No/100 Dollars ($50.00) per set; which will be refunded upon return of the Plans and Specifications, in good condition within fifteen (15) calendar days after bid openings. Please make checks payable to the City of Campbell.

All proposals must be filed with the City Clerk of the City of Campbell at City Hall, 75 N. Central Ave., Campbell, California 95008, on or before 3:00 p.m. Tuesday, November 8, 1977. The City Clerk will publicly open and declare the aggregate bid of each bidder, at her said office at said time of 3:00 p.m.

NOTICE OF TRUSTEE'S SALE

Loan No. 35144
O NEWSHAM
T.S. No. 6920-1-77

COUNTY SERVICE COMPANY, as duly appointed Trustee under the following described deed of trust WILL SELL AT PUBLIC AUCTION TO THE HIGHEST BIDDER FOR CASH (payable at time of sale in lawful money of the United States) all right, title and interest conveyed to and now held by it under said Deed of Trust in the property hereinafter described:

TRUSTOR: DORCAS W. TAYLOR AND MYRA TAYLOR, his wife,

BENEFICIARY: PROGRESS MORTGAGE CORPORATION, a California corporation,

Recorded March 26, 1976 as instr. No. 5249419 in book 936 page 462 of Official Records in the office of the Recorder of Santa Clara County; said deed of trust describes the following property:

ALL OF LOT 35, as shown upon that certain Map entitled, "TRACT NO. 1383 WHITE OAKS MANOR NO. 1", which Map was filed for record in the office of the Recorder of the County of Santa Clara, State of California, on December 7, 1954, in Book 53 of Maps, at page 44.

EXCEPTING THEREFROM the underground water as granted in the Deed from City Title Insurance Company, a corporation, dated December 22, 1954, recorded December 28, 1954, in Book 3045, page 233, Official Records.

279 Browning Avenue, Campbell, California "(If a street address or common designation is shown above, no warranty is given as to its completeness or correctness)."

The beneficiary under said Deed of Trust, by reason of a breach or default in the obligations secured thereby, heretofore executed and delivered to the undersigned a written Declaration of Default and Demand for Sale, and written notice of breach and of election to cause the undersigned to sell said property to satisfy said obligations, and thereafter the undersigned caused said notice of breach and of election to be Recorded June 22, 1977 as instr. No. 5693734 in book C934 page 523, of said Official Records.

Said sale will be made, but without covenant or warranty, express or implied, regarding title, possession, or encumbrances, to pay the remaining principal sum of the note(s) secured by said Deed of Trust, with interest as in said note provided, advances, if any, under the terms of said Deed of Trust, fees, charges and expenses of the Trustee and of the trusts created by said Deed of Trust.

Said sale will be held on WEDNESDAY, October 26, 1977, at 12:30 P.M., at the entrance to the County Courthouse, at 190 N. Market Street, in the City of San Jose, California.

Install a money trap in your attic.

INSULATING CAN SAVE OVER $50 A YEAR IN HEATING COSTS.
Heat rises. That's why the attic is where most heat-loss happens. The cost of heat keeps rising, too. That's why, more than ever, it pays to insulate. Insulating an attic can save the average homeowner at least $50 a year in heating costs. That means insulation will not only pay for itself, but will save money…and energy…too.
PG&E will make insulating your home easier by arranging free estimates from two qualified contractors. If you request it, we'll inspect the work when it's done. And we'll give you a certificate of installation to R-19 standards.
So if you want help in contractor referrals, or more information, call PG&E's Energy Conservation Center, toll free, at 800-792-8000, Monday through Friday, 8 AM to 8 PM. (If your telephone area code is 805, call collect to 415-543-2073.) Or fill out and mail the coupon or return it with your bill payment.
Do it now, before winter sets in. So you can feel warm all over about the money you'll save.

Rascality could get Libra in a jam

For Oct. 22 through Oct. 28

ARIES (March 21-April 19): As determination stomps in the door, apathy floats out of the window. And let's face it, Ari, **it's about time!** You get chance to show off your skills. Week ends with a holler.

TAURUS (April 20-May 20): Number three (or multiple of three) plays key role this week. You move toward personal goal. Read. Study. And remember, dear Taurus, that **you** are a trinity: mind, heart and spirit.

GEMINI (May 21-June 20): Love is offered. Accept, accept. Then you will raise your sagging morale and lower your blood pressure — all in one fell swoop!

CANCER (June 21-July 22): Personal problem takes priority this week. Get help from one who has been down the same garden path. On last day, alley cat may come prowling. Hide the tuna.

LEO (July 23-Aug. 22): Don't permit yourself to become trapped by boredom, Leo, for when bored you tend to behave in self-destructive fashion. Call that certain person who always gives your spirit a lift. You know who. Now, **scoot!**

VIRGO (Aug. 23-Sept. 22): Contact old friend /flame. Talk, laugh, love and maybe even cry a little. Honest emotions mustn't be held back. Last day should find you humming.

LIBRA (Sept. 23-Oct. 22): You're a bit of a rascal, Libra, but this week your rascality could get you in dutch with The Duke. (Not to mention the Dutchess, who is an absolute **terror!**)

SCORPIO (Oct. 23-Nov. 21): Happy Birthday, Scorp! Yours is the sexiest sign in the Zodiac. You are dynamic, passionate, curious, strong-willed, imaginative and uninhibited. Jealousy and temper are your fatal flaws. December and June memorable months in year ahead. A struggle is resolved.

SAGITTARIUS (Nov. 22-Dec. 21): Deal with old problem in new way. Difficulty must be approached from several angles. Reassessment is inevitable. The answer, Saj, is not necessarily in the back of the book.

CAPRICORN (Dec. 22-Jan. 19): Cupid may use you for target practice this week, Cap, so if your life is already too complicated, don't sit still. Be a moving target. Week ends with a holler.

AQUARIUS (Jan. 20-Feb. 18): Week favorable for building. Use energy to building bridges, not walls. By end of week, you realize that you've done it again. You've topped **yourself!**

PISCES (Feb. 19-March 20): You and Scorp may tangle this week. You're both water signs, and can get along rather swimmingly **if you try**. Seas apt to be rather choppy as week churns to noisy fini.

Run unbeaten log to 3-0

Don gridders sitting on top of WVAL pack

IT'S BEEN A long, long time since a football team at Del Mar high school could brag about being in first place three weeks into the West Valley Athletic League season.

Over the years the Dons have spent much of their time in the WVAL's second division, coming up with an occasional upset to add excitement to a West Valley league race title race.

But it's not the same for the 1977 edition of the Del Mar Dons. They're not exciting the West Valley league with upsets this season — they're on top of the pack!

Del Mar is 3-0 in 1977 and alone in first place in the WVAL. The Dons sit a half game ahead of Los Gatos in the league race, the Wildcats sporting a 2-0 mark.

Del Mar ran its record to 3-0 last week with a 14-8 victory over Prospect, the Panthers winless on the season. Prospect is 0-3 in league play and 0-5 on the season.

Touchdowns in the second and third periods drove Del Mar to its win over the Panthers last week.

Joe Medeiros gathered in a 36 yard pass from Jeff Lane in the second quarter and George Rodriguez drilled to extra point to give the Dons a 7-0 lead at the half.

In the third Todd Scolari broke one 78 yards from scrimmage for the touchdown that proved the game winner. Dave Garcia threw a "great block on the safety," according to coach Ron Leimbach, to spring Scolari on the touchdown romp. Rodriquez kicked another extra point.

Prospect's lone score in the game came in the fourth quarter with Del Mar already leading 14-0.

The Panthers avoided the stigma of a shut-out when quarterback Mike Cetinich unloaded a 64 yard bomb to Mickey Speciale, who was running a straight fly pattern.

Runningback Tom Morgan added the two point conversion.

The Panthers got the ball two more times in the final stanza but were unable to threaten again.

Prospect had blown a couple of early scoring opportunities, which came back to haunt Earl Adams' club as the day grew longer.

In the second quarter the Panthers drove to the one foot line only to loose the ball on a fumble. And again in the third period the Panthers reached the Del Mar 15 only to fumble the ball away.

Prospect's only other scoring opportunity came in the second period when a 30 yard field goal attempt sailed just wide of its intended mark.

"WE MOVED the ball well, and they did too," said Leimbach. "They hit us hard the whole game. I think Prospect is an underrated team — they hit hard."

Lane "had a great day" for the Dons, completing 17 of 21 passes for 246 yards. Rodriguez caught six aerials for 108 yards and Garcia grabbed four tosses for 87 yards. Medeiros caught the one touchdown pass.

Scolari was the leading ground gainer in the game, picking up 112 yards for the Dons.

Leimbach praised the work of center Ken Lorea, guard Jeff Barone and tight end Greg Tardieu for their efforts in the offensive line.

"Our defense did a great job again," he added. The coach cited cornerback Scott Evans, tackles Mark Robinson, end Tardieu, lineman John Callaway and linebacker Larry Oreglia for their efforts defensively. Calloway recovered a pair of fumbles for Del Mar.

"We're getting better," said Adams, the Panthers' head coach. "I'm really pleased with the attitude and enthusiasm the kids display each game and the effort they put forth. They hustle really well."

Adams was also very happy with the Panthers' running game, which accumulated 255 yards. Dave Angerole led the land assault with 77 yards on 17 carries while Morgan added 72 yards on 16 totes. Phil Angerole contributed 55 yards on 11 carries.

ADAMS GAVE much of the credit for Prospect's success with the running game to the Panthers' offensive line and in particular guards Randy Chase and Stuart McCammon. Rounding out the Panther offensive line were Ken Hoyt, Brad Schultz, Marlo Delgado and Kevin Balson.

"The entire line was blocking intelligently," said Adams. "They were starting to use their heads out there."

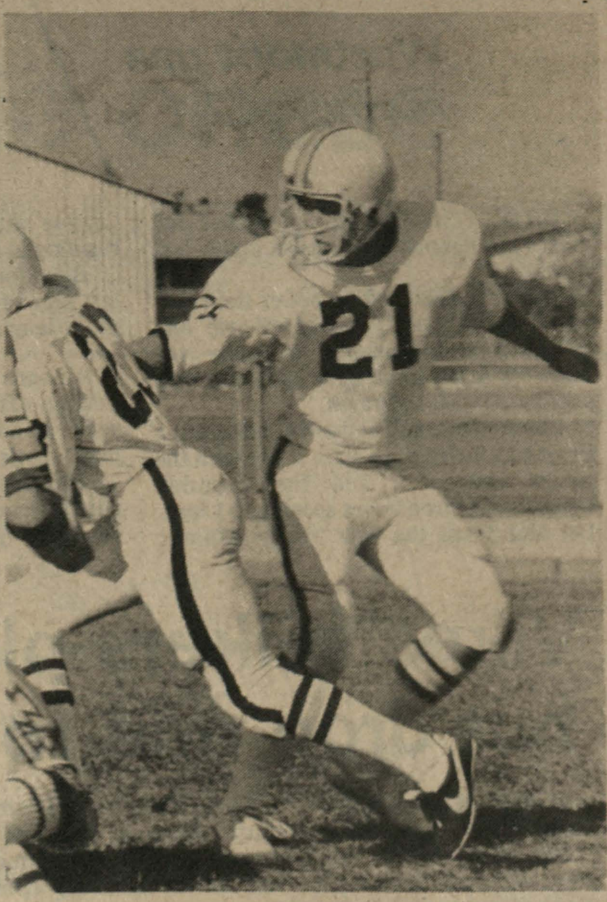
Defensive standouts for Prospect in the loss were Tim Bidwell, who registered 10 tackles, Cetenich, who recovered a fumble and picked off a pass, Delgado and Hoyt.

The Panthers are at home Friday for a 3:30 p.m. test with the Leigh Longhorns.

The Dons will have a week off from the WVAL this week but will take on rugged Homestead in a 7 p.m. game Thursday at Cupertino high.

Homestead, 2-0 in its league, is fresh off of a 32-0 victory over Monta Vista. The Mustangs have also knocked off Saratoga this season.

sports



DANDY DON — Del Mar quarterback Jeff Lane had a dandy day last week against Prospect, completing 17 of 21 passes to spur the league-leading Dons to a 14-8 victory. Del Mar raised its record to 3-0 to maintain its WVAL lead.

Rainbows suffer tough loss, capture easy win

THE DEL Mar Rainbows took a tough loss and picked up an easy win last Sunday afternoon at home when they split their PAL Winter League doubleheader with Live Oak.

The Rainbows suffered a disheartening 7-6 setback in the first game and then notched an easy victory in the nightcap when Live Oak had to forfeit because of lack of pitchers. The split left the Rainbows with a sparkling 8-2 Winter League record.

Jeff Blobaum absorbed last Sunday's loss, his first defeat in five decisions this winter.

The Del Mar mound ace went the distance, allowing nine hits and five walks while fanning 12.

"Those walks really hurt him," said manager Gary Cunningham, noting that three of the batters who walked came around to score.

Del Mar had led most of the game after scoring four times in the first inning.

Craig Richesin led-off the Del Mar first with a single to left and moved to third on Dan McKay's double, which split the right-centerfield alley.

After Jim Dorr was hit by a pitch, Richesin came in to score on a passed ball. A walk to Kevin Cesar loaded the bases again.

An infield single by Sean Venezia and an error on the play tallied two more runs. Cesar then scored on a wild pitch to cap the rally.

In the third, Venezia reached second on an infield error and came home on Blobaum's single to right.

The Rainbows picked up their final run in the fourth when Scott Lavander walked, stole second and rode home on McKay's single to right.

Del Mar tried to tie the game in the bottom of the seventh when Dorr lashed a one out single and Richesin was sent in to pinch-run. Richesin proceeded to steal second and third but was out trying to steal home on a disputed play. Live Oak's pitcher had apparently balked when Richesin broke for the plate but the homeplate umpire ruled otherwise.

DEL MAR'S seven game winning streak had come to an end a week earlier when the Rainbows were routed 9-3 by Rosetti's of San Jose in the second game of a twinbill.

The Rainbows had won the first game 3-2 to extend their winning streak to seven.

Del Mar was leading 3-1 heading into the bottom of the fifth inning in the nightcap before a pair of relievers were rocked for eight runs.

Tom Bell had recorded a no-hitter for the first four innings of the second game for Del Mar but had to leave his gem in midstream to go to work.

San Jose then tagged two relievers for four hits in the fifth, which added up to eight runs when they were combined with two Del Mar errors and three walks.

Blobaum's four-hit pitching had won the opener for Del Mar. The Del Mar hurler had taken a shut-out into the last inning but got into trouble. He bore down, however, to record the final out of the game with the tying runner sitting at second.

Cunningham, the Rainbows' player-manager, drove in the eventual game winning run in the sixth with a sacrifice fly to plate Mike Creco, who had opened the frame with a base hit.

Spread the word-- predictors are back

THE PREDICTORS are back . . . spread the word, the predictors are back!

It was a great week for the prep high school football seers at this paper. After suffering through a dismal 2-3 performance the week before, the predictors came back with a 4-1 showing last Friday and Saturday in the West Valley Athletic League, nailing another point spread right on the button.

The 4-1 mark ups our season record to 20-7 and the six point margin in the Del Mar's 14-8 win over Prospect marks our third perfect spread of the year.

And we're looking for more of the same this weekend as teams head into the fourth week of WVAL play.

In afternoon games Friday, Westmont will visit Camden and will fall by two and Leigh will travel to Prospect and will win by eight. All three games begin at 3:30 p.m.

That night Los Gatos will host Blackford at 8 p.m. at Helm Field and will thrill the hometown crowd with a 14 point win.

In a non-league game on Thursday, Del Mar will take on Homestead at 7 p.m. at Cupertino high. The Dons will fall to the mighty Mustangs by 12.

Irish on KPEN-FM

THE FIGHTING Irish of Notre Dame renew their bitter rivalry with USC Saturday at South Bend, Indiana in a game that will be broadcast over KPEN-FM radio (97.7) beginning at 10:30 a.m. Don Criqui will handle the play-by-play action.

Vikings runners romp to easy GGC victories

RUNNING side by side down the home stretch, Doug Avrit and Bob Paulin (Camden) finished one-two last week to lead the West Valley College cross country team to a pair of easy wins and help the Vikings remain unbeaten in the Golden Gate Conference.

Avrit was first with Paulin second, the two clocked at the same 21:28 time, to pace the Vikings to a 19-42 win over Foothill and a lopsided 15-50 victory over San Francisco.

Vance Eberly (Los Gatos) finished third on the 4.0 mile course at 21:36 with Leroy Bumbaca (Wilcox) sixth at 22:04, Ray Russell (Blackford) seventh at 22:31, Larry Bergkamp (Leigh) eighth at 22:35, Gregg Szanto (Saratoga) ninth at 22:50, Ed Tico (Camden) 10th at 22:53, Dale Dewhitt (Santa Clara) 11th at 22:54, Steve Bruns (Saratoga) 15th at 23:23, Phil Hayes (Mt. Pleasant) 16th at 23:47 and Gene Antone 19th at 24:44.

The Viking women nipped Foothill 22-33 and won by forfeit over San Francisco the same day on the 3.1 mile course at Coyote Park.

Kathy Perkins was second at 20:25 with Ann Witherspoon third at 20:28, Ronell Powell fourth at 21:34, Ann Slivcoff seventh at 22:29, Colleen McManus eighth at 22:31, Zabelle Papatigian 10th at 23:38 and Mary Reedy 15th at 35:54.

Rose keys Bruin wins

JULIE ROSE won a pair of matches at number one singles to lead Branham to a pair of West Valley Athletic League girl's tennis victories.

Rose handled Blackford's Judy King 10-0 to lead Branham to a 9-1 win over the Braves. Carrie Duff and Kathy O'Neill added a 10-1 victory at number one doubles.

Rose also knocked off Camden's Maureen Morris 10-2 to drive the Bruins to an 8-2 victtory over the Cougars.

Camden came back to nip Campbell 6-4 behind Morris' 10-8 win over Julian Humphrey at one singles.

PRESS error

Because of an error in the game program, Del Mar's Dave Garcia was mistakenly referred to as Joe Medieros in the Campbell PRESS account of the Blackford-Don football game. Our apologies to all concerned.

Westmont ups record to 2-1

Athearn's dream day paces Warriors past Blackford

GREG ATHEARN had the kind of day most runningbacks just dream about last Friday.

Athearn accounted for better than half of Westmont's 440 yards of offense and tallied four touchdowns to pace the Warriors to an impressive 38-16 triumph over the Blackford Braves.

The victory vaulted the Warriors into a three way tie for third place along with the Leigh Longhorns and the Camden Cougars, all three teams sporting 2-1 logs. Del Mar leads the West Valley Athletic League with a 3-0 mark with Los Gatos residing in second at 2-0.

Blackford, meanwhile, remained in a last place tie with Branham and Prospect as the league's winless teams.

Athearn did it all for the Warriors last Friday, carrying the ball 17 times for 168 yards in addition to catching four passes for 62 yards.

The Westmont runningback personally put the game out of Blackford's reach by the third quarter, scoring the Warriors' first four touchdowns to provide an insurmountable 24-0 lead.

ATHEARN STARTED the Warriors on their way to victory in the first quarter with a 15 yard touchdown run, following a Bill Stouffer fumble recovery.

In the second period, Athearn scored on romps of nine and two yards, the latter coming as time ran out in the first half.

An 18 yard gallop by Athearn and a 22 yard scamper by Phil Lopresti had keyed the drive that set-up Athearn's second TD. Quarterback Scott Ruiz also had a hand in the drive with clutch passes to Steve Nuich for eight yards and Marcel Adame for 15.

Athearn was the main catalyst in the Warriors' third scoring drive with dashes of 22 and 18 yards.

Athearn scored for the fourth time early in the third period on a four yard run. Runs of 12 and eight yards by Lopresti and a 15 yard hook-up between Ruiz and Perry Lunt had put Athearn in a position to score.

Following key blocks by Stouffer and Lunt, Athearn almost scored again minutes later when he bolted 70 yards before being stopped at the Blackford 20 yard line. From there Ruiz hurled a touchdown pass to Nuich.

With Westmont in command 30-0, Blackford finally got on the scoreboard at the start of the fourth quarter on a 10 yard run by Ty Thurston. Thurston then threw to Guy Gandenberger for the two point conversion.

THURSTON ALMOST scored the Braves' second touchdown later in the period but fumbled the ball at the goalline. The Braves' Tim Stanton recovered the loose ball in the endzone for a TD.

Mike DelaPena threw to Brian Fox for the Braves' final two points.

Westmont got on the scoreboard again late in the contest when Ruiz fired his seventh touchdown pass of the season, a five yard aerial to Adame.

Ruiz then passed to Athearn for the two point conversion.

Ruiz finished the day with 11 completes in 25 passes for 136 yards. Athearn was the Warriors leading receiver with four catches while Adame hauled in three for 25 yards. Nuich and Lunt both had two receptions.

The Warriors wound up with 440 yards of total offense, 295 coming on the ground.

"This was our best game, running-wise," noted head coach Don Stagnaro. "I was pleased with our performance for the most part. We didn't play as well defensively as I would have liked. But we improved and I'm pleased that we came back after losing to Los Gatos."

Stagnaro singled out tackle Greg Gorman on defense and offensive linemen Larry Waltz, Sean Kelly and Mike O'Day for their efforts in the win.

"THE THING that really hurt us was our inconsistency," said Blackford boss Mike Spitzer. "Westmont is a good ballclub, though. They're very aggressive."

A key factor in the victory for Westmont, according to Stagnaro, was Blackford's five turnovers. Stouffer recovered two fumbles and Carl Morant came up with one while Claude Devlin and Rich Elson both registered pass thefts.

The Warriors, 2-1 in league and 3-2 overall, travel to Camden Friday for a 3:30 p.m. tilt with the passing-minded Cougars.

Blackford, 0-3 in league and 1-4 on the year, treks to Los Gatos high Friday night for an 8 p.m. battle with the powerful Wildcats.

"Los Gatos is the most improved team in the league, by far," stated Spitzer. "I think they're the team to beat in our league right now."

Vikes spikers play well, but drop nod to Dons

SOMETIMES in sports it's just hard for a coach to decide what's better — to play well and lose, or to play bad and win!

That's the problem that West Valley College women's volleyball coach Claudine Simpson faced last Friday night after her Vikings battled De Anza in the Viking gym.

Simpson's Vikings played very well against the Dons, but came up short in the match to fall to their second defeat of the league season.

West Valley lost to unbeaten De Anza 1-15, 15-3, 14-16, 13-15 to slip into third place in the conference with just one game left in the season's first round.

West Valley will battle second place San Mateo on Tuesday in a 7:30 p.m. match on the Bulldog court. San Mateo's only loss of the year came at the hands of De Anza.

The Vikes will host Ohlone in a non-league match Wednesday at 7:30 p.m. and will entertain Canada on Friday at 7:30 p.m. to start the league season's second round. West Valley whipped the Colts earlier in the year.

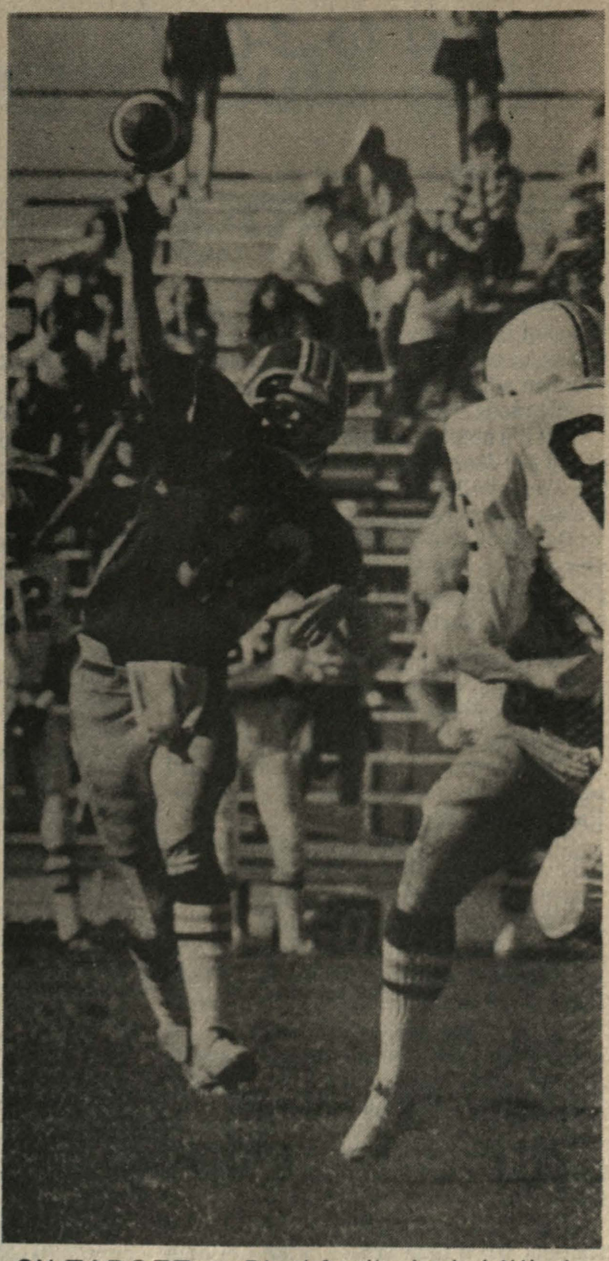
"We played very well, but lost," said Simpson after the close setback at the hands of the Dons. "By far the last two games of the match were the best two this team has ever played."

"It was very good volleyball," said Simpson of the match. "De Anza is the strongest team in the league and we gave them a very good match."

Simpson singled out Diane Rodrigues (Camden), Pam Goldsborough (Willow Glen) and Nancy O'Connell (Campbell) for outstanding play offensively in the game, praising Rodrigues for her setting, and plugged Goldsborough and Cindy Meyer (Camden) for strong defense.

Earlier in the week West Valley trimmed Foothill in five games 5-15, 15-4, 15-8, 9-15, 15-2, playing "exceptionally well in the last game," according to Simpson.

Goldsborough played "exceptionally well" for West Valley and O'Connell did a "good job blocking," said the coach. "She had some very good stuff."



ON TARGET — Blackford's Jack Little is on target with this pass against Del Mar recently but it wasn't enough as the Braves went down to defeat. Blackford lost again last week, this time to Westmont.
(Photography by Dick Sparrer)

sports quiz

1. Prior to George Foster this season, who was the last National Leaguer to hit 50 or more homers in a single season?
   a) Willie McCovey
   b) Willie Mays
   c) Hank Aaron
   d) Johnny Mize

2. Who led the American League in stolen bases this year?
   a) Mickey Rivers
   b) Bobby Bonds
   c) Fred Patek
   d) Campy Campaneris

3. Who is the all-time leading rusher in Oakland Raider history?
   a) Marv Hubbard
   b) Pete Banaszak
   c) Charlie Smith
   d) Clem Daniels

4. Who won the Pacific division championship last year in the National Basketball Association?
   a) Phoenix
   b) Golden State
   c) Portland
   d) Los Angeles

5. Muhammad Ali has lost only twice in his illustrious career. One of the losses was to Joe Frazier. Who else beat Ali?
   a) Jimmy Young
   b) George Foreman
   c) Sonny Liston
   d) Ken Norton

Answers: 1-b, 2-c, 3-d, 4-d, 5-d.

WVC women trip American River

A PAIR of second half goals drove the West Valley College field hockey team to a 3-1 victory over American River College last week.

Naomi Sasaki (Los Gatos) scored on a Jan Renna (Willow Glen) assist and Julie Glage (Westmont) added an insurance goal to help West Valley even its league record at 1-1 with the 3-1 victory.

American River had scored first in the game but Renna scored before halftime to deadlock the count at 1-1 and set the stage for the second half goals by Sasaki and Glage that clinched the victory.

Viking boss Diane Tsutsumi praised the efforts of Glage and Renna offensively and singled out Jackie Hale (Los Gatos), Lori Howe (Willow Glen) and Mary Riordan defensively.

"We were sporatic, but we kept the momentum," said Tsutsumi. "We had complete control throughout the game."

The Vikings will visit Ohlone for a 3 p.m. game on Tuesday and will host Stanford for a 2:30 p.m. non-league battle on Friday.

"They're very tough," said Tsutsumi of defending league champion Ohlone. "They have their whole team returning. But we look pretty good right now. We're going against the biggies and doing well."

X-country results

BRIAN Addington ran to an individual victory over the 2.55 mile Branham course to lead Prospect to a 22-34 West Valley Athletic League win over the Bruins.

In other meets the same day, Leigh knocked off Del Mar 16-39. Bob Reichert was the top finisher for the Dons, nabbing fifth at 16:34.

Los Gatos romped to a 24-31 victory over Westmont on the 2.4 mile Warrior course.

Pony-colt election

CAMPBELL-MORELAND'S pony-colt league will conduct its annual nomination and election of officers Tuesday, Oct. 25, at 8 p.m. in the Pony league clubhouse at Morgan Park. All interested parties are invited to attend.

Keck kids sparkle in PP&K contests

THE KECK FAMILY of Saratoga had plenty to be proud of recently during the local Punt, Pass and Kick competition at Central Park in Santa Clara.

Bruce Keck, an eight year old from Quito school, finished first in his division while his sister Dianna and brother Jim both finished second in their divisions.

Bruce earned a berth in the Zone competitions with his victory while Jim, a 10 year old from Quito school, and Dianna, a 13 year old from Rolling Hills junior high, both picked up trophies for their efforts.

Bruce, Jim and Dianna are the children of Jim and Betty Keck of McFarland avenue in Saratoga.

Campbell dumps Camden

Bucs jump back into WVAL title chase

THE CAMPBELL Buccaneers re-established themselves as bonafide contenders for the West Valley Athletic League football championship last Friday by knocking off the previously unbeaten Camden Cougars in impressive fashion.

The Bucs, their pride still hurting from an opening season loss to the Del Mar Dons, bounced back from a 16-14 first half deficit to tally three unanswered touchdowns on the way to a 34-16 victory.

The triumph evened Campbell's WVAL record at 1-1 while dropping Camden's mark to 2-1 and moved the Bucs right back into the thick of the league's title chase.

Surprising Del Mar still leads the pack with a 3-0 record following last week's narrow victory over winless Prospect while Los Gatos sits in second with a 2-0 ledger. Leigh, Westmont and Camden are all in third with 2-1 ledgers, followed closely by Campbell.

The Bucs, who are 2-2 overall on the season, host the defending league champion Branham Bruins Friday at 3:30 p.m.

Campbell simply wore down the Cougars last Friday with a relentless ground attack that rolled up 189 yards on the day.

THE BUCS' ground game was so effective, in fact, that they didn't pass once in the second half and rolled up 102 of their 189 yards rushing in the final period.

Eric Harris sparked the Campbell land assault with 60 yards on 11 carries, including an eight yard touchdown run in the fourth period that put the icing on the cake.

Fred Heidler toted the ball nine times for 53 yards and scored on a 13 yard run in the fourth quarter.

But it was his 96 yard kick-off return to open the second half that turned the ballgame around, wiping out a two point Camden lead and putting the Bucs ahead to stay.

Campbell had scored on its first offensive play of the game in the opening period when Kevin Bradley turned a near-disaster into six points.

The Bucs were attempting to run a flea-flicker on a pass from Dan Trinidad to Heidler. But Heidler was hit and forced to fumble the ball before he could pitch it back to a trailing teammate.

The Bucs' Dan Raines alertly picked the ball up and began to run but he also fumbled when he was tackled.

THIS TIME Bradley grabbed the bouncing pigskin and carried it the remaining 65 yards for a touchdown. Dan Rozewicz ran in the two point conversion.

Camden retaliated with a touchdown pass late in the first period and another TD on a pass interception in the second quarter to assume a 16-8 lead.

But the Bucs came right back with a 79 yard march at the end of the second period to cut Camden's halftime lead to just two points.

Trinidad, who had keyed the drive with a clutch third down completion to Harris, capped the march with a one yard quarterback sneak with only 31 seconds left in the half. The try for the two point conversion, however, failed.

Heidler's second half kick-off return was the only score of the third period and then the Bucs put the game out of the reach of the weary Cougars in the fourth period with two more scores.

While the Campbell offense was running almost at will against the tiring Cougars, the Buccaneer defense was putting the clamps on talented Camden quarterback Jeff Hill.

Hill wound up the day with 11 completes in 28 attempts for 174 yards. But in the second half he was just five for 19 for 82 yards and was intercepted three times. He was intercepted five times in all.

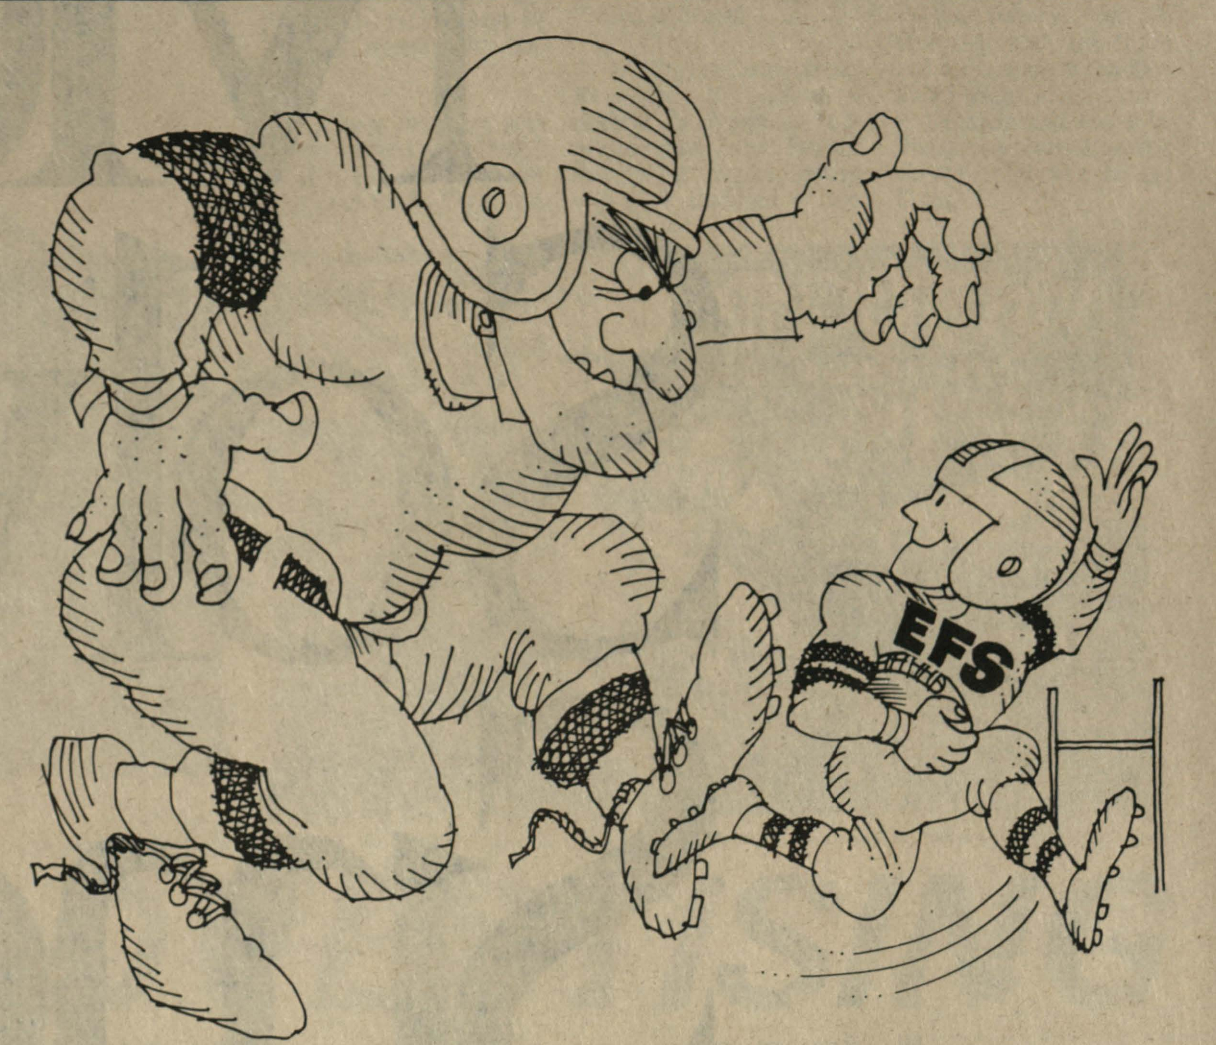
AND THE Cougar ground game was even less successful, netting just one yard in the second half and just 52 yards for the game.

Heidler spearheaded the Bucs' strong effort in the secondary with a pair of interceptions while Kelly Korening, Carlos Velasco and Andy Boe each came up with pass thefts.

The Bucs' defensive line put on a strong pass rush, sacking the mobile Hill on two occasions. Glen Gray recorded a solo sack, dropping Hill for a 16 yard loss, and combined with Pat Ryan and Steve Aimonetti for another.

Rozewicz was the Bucs' leading tackler in the win with eight unassisted sticks while Raines also had a big day.

Much of the credit for the victory, however, had to go to the Campbell offensive line of Lee Egger, Rick Tucci, Gray, Aimonetti and Raines, which consistently opened up gaping holes for the Buccaneer runners to scoot through.



Not the biggest... Just the best

Sometimes *small* and friendly can give you more "play" for your savings in the long run. Let the experts at EFS quarterback your savings program. That way you'll be on the winning team.

Killroy outslugs Barons for 1st half championship

KILLROY pounded out 12 hits on the way to a 10-5 victory over the Red Barons in their play-off game for the first half championship in Campbell's adult winter softball league.

Terry McConville flipped the win for the losers, who received a home run from Ron Coleman and a double from Marc Salazar.

Killroy also triumphed in its second half opener, clobbering Bearcat Construction 23-12. Tim Woodside clubbed a homer and McConville again pitched for the winners, who ripped 20 hits in the rout.

Mike Okalcue roped a double for the losers.

In other second half action, Atari nipped the Clowns 5-3 behind the seven-hit, two strike out pitching of Randy Sollars.

Steve Periera blasted a home run and Rich Huffman doubled for Atari. Brutus LeCon doubled for the Clowns.

Dan Jackson hammered three home runs to spur the Money Changers to a 16-4 win over the New York Lifers.

Rhett Thompson chipped in with a triple while Dennis Anderson, Michael Taylor and Todd Wallberg all added doubles.

The Lifers bounced back to tip Bearcat Construction 7-2. Rick Utermoehlen allowed just three hits and fanned two to pick up the win.

Richard Pullen doubled to pace the New York bat attack.

McConville flipped a four-hitter and rammed a home run to lead Killroy to a 20-3 triumph over the Clowns.

Jim Leitner, Pete Delagne, Tom Hope and Herb Dallas all lashed doubles for the winners.

LeCon tripled for the Clowns.

Doubles by Phil Rush, Robert Stasi and Wally Pallares led the No Names to a 10-1 romp over the Money Changers.

The Red Barons toppled Atari 8-3 behind the pitching and hitting of Jerry Ruggiero. In addition to limiting Atari to just seven hits and no walks while striking out three, Ruggiero ripped a triple.

Richard Sanchez and Pete Salazar both clubbed doubles. Terry Fletcher tripled for Atari.

Merit Solving Smoker Dilemma.

'Enriched Flavor'™ breakthrough ends search for "low tar, good taste" cigarette.

For years, smokers had to choose between real tobacco flavor or low tar.

Until MERIT.

Until a breakthrough in tobacco science resulted in a way to *boost natural tobacco flavor without the usual corresponding increase in tar.*

The result was 'Enriched Flavor' tobacco.

MERIT and MERIT 100's were packed with this special tobacco. And taste-tested against a number of higher tar cigarettes.

MERIT
MERIT
Filter
LOW
MERIT
Menthol
LOW TAR—ENRICHED FLAVOR
MERIT
MENTHOL
MERIT

REGULAR and MENTHOL

The results proved conclusively that 'Enriched Flavor' tobacco *does* boost taste without the usual increase in tar.

Overall, smokers reported they liked the taste of both MERIT and MERIT 100's as much as the taste of the higher tar cigarettes tested.

Cigarettes having up to 60% more tar!

Only one cigarette has 'Enriched Flavor' tobacco. And you can taste it.

MERIT

Kings & 100's

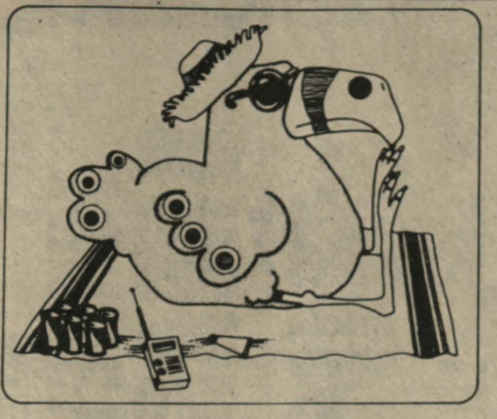
100's: 12 mg.''tar,''0.9 mg. nicotine av. per cigarette by FTC Method.

Warning: The Surgeon General Has Determined That Cigarette Smoking Is Dangerous to Your Health.

ON display at the Campbell library through October are masks and ritual fiber sculptures by Kris Nardello. The Aptos artist has also exhibited at the UCLA gallery and Santa Clara's Triton Museum of Art.



The summer blood donor is a rare bird. Be one.

DONALD E. KENNEDY

Kennedy named bank manager at Pruneyard

Appointed manager of the Bank of America's PruneYard branch in Campbell was Donald E. Kennedy, who held that position several years ago.

Kennedy succeeds Ed Fabbri who retired Sept. 30 after 41 years with the firm.

The new manager previously served as manager of the El Camino-Keily branch in Santa Clara and has been with the bank for 17 years.

Other appointments included assistant manager at the Menlo Park branch and manager of the East Los Gatos and the Campbell branch.

A native of Connecticut, Kennedy, 50, holds a degree in business administration from Bryant College in Rhode Island and is a graduate of the Pacific Coast Banking School at the University of Washington.

The manager is treasurer of the Mental Health Association of Santa Clara County and is active in the Rotary Club in Campbell and Los Gatos and a member of the Skyview Flying Club.

Kennedy and his wife, Vivian, are parents of two children and live in Los Gatos.
